

# Spring Dress Fabrics

Hundreds of yards of the New Spring Goods have come pouring in during the past week. The products of some of the best mills in this country are here. To a large extent the patterns shown by us are exclusive. One of the largest shipments of wool dress goods to be received from one concern reached us Friday and now are ready for your inspection. A glance at these will give you pretty good idea of the trend of fashion in dress fabrics for the coming seasons. It will not only be entertaining but instructive.

### BOY SHOT HIS BROTHERS.

Two Mortally Wounded as Result of a Quarrel.

New York, Feb. 15.—As a result of a quarrel, the cause of which is unknown, Alfred Vautrin, a 19-year-old boy, shot and mortally wounded his two brothers at his home on West 41st street last night. Mrs. Vautrin, the wife of the young man who did the shooting, told the police that her husband had been long embittered against his oldest brother, Emil, who was a printer, and that a week ago he ordered Emil out of the house and threatened to shoot him if he returned.

Mrs. Vautrin said that Emil returned last night and the quarrel between him and her husband was renewed. It is said that Alfred drew a revolver to aim at Emil and that Victor stepped in between. Alfred fired and Victor fell with a bullet in his head. More shots were fired and Emil was wounded. The wounded brothers were taken to a hospital where it was said their injuries were probably fatal. Alfred Vautrin has been arrested.
